We are holding 40 rooms for this meeting at The Inn on the Lake. Reservations will be handled first come, first serve. Make your hotel reservations by calling 1-800-228-2801 and identify that you are with CAMP group. All reservations must be guaranteed by a credit card or advance deposit on or before May 1, 2017.

Thursday, May 18, we will host a Research and Technology Showcase. Purpose of this Showcase is to provide opportunity to Industry, Faculty and Students to interact with one another - to share viewpoints and research results - in an interactive venue similar to an industrial showcase.

- ❖ There will be poster, demonstrations, handouts and presentations, group by category, in a large room.
- ❖ “Booths” or tables will be provided to faculty members (and/or students) so that they can highlight their work, capabilities and interests to meeting participants.
